

### **What is the difference between the car show and cruise night?**

A cruise night, sometimes called a “Show & Shine,” is a more laid back type of event where you just drive your ride in and park, there is no fee to park and show your ride. There are no trophies given. Our cruise nights will be held on Friday night and Saturday afternoon and night.

Car shows typically offer more for the serious car guy or gal. There is an entry fee of \$10 to show your car and each car will be judged and trophies will be awarded, along with a cash prize for Best of Show. Participants will arrive early to get their car/truck registered and then begin an hour (or longer) process of detailing their ride before judging begins.

### **Do I have to pre-register for the cruise night and car show?**

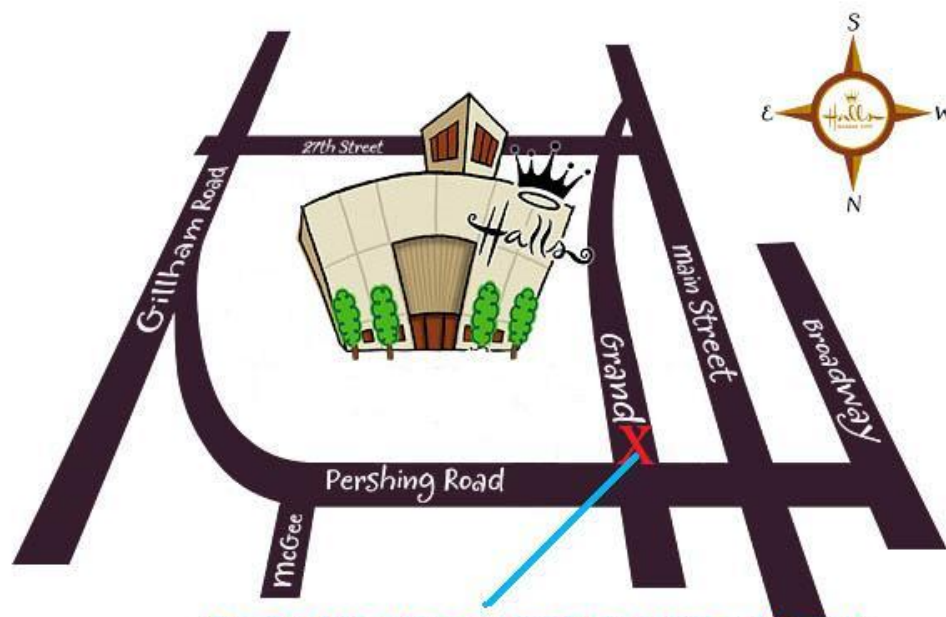

Pre-registration is not required, but space is limited and is open on a first-come first-serve basis. Pre-registration is **HIGHLY** recommended.
